**State of Wisconsin
Wisconsin Technical College System Board**

April, 1996

The Honorable, The Senate:

The Graduate Follow-up Survey is conducted annually to gather data regarding the activities and perceptions of students approximately six months after their graduation from Wisconsin's Technical Colleges.

The primary objectives of the survey are to identify the current activities of program graduates, to determine the extent to which current activities are related to the graduates' educational programs, to provide information to be used as tools in career awareness and planning efforts for those making or assisting in career decisions, and to provide data to facilitate program planning, evaluation and development.

Sincerely,

DWIGHT A. YORK
State Director

**State of Wisconsin
Office of the Commissioner of Insurance**

February 1996

The Honorable, The Legislature:

Pursuant to section 153.10(1), Wis. Stats., we are pleased to submit to the Governor and to the Legislature the sixth annual **Health Care Data Report**. This report is based on hospital inpatient discharge data reported to the Office of Health Care Information by all operating general medical-surgical and specialty hospitals in Wisconsin from January through December 1994. It also contains selected ambulatory surgery utilization and charge data from general medical-surgical hospitals and freestanding ambulatory surgery centers in Wisconsin during the same period.

This report fulfills the statutory requirement to report "in a manner that permits comparisons among hospitals ... the charges for up to 100 health care services or diagnostic-related groups selected by the office.
