

1995 ASSEMBLY BILL 351

April 28, 1995 - Introduced by Representatives SCHNEIDER, OLSEN, BALDUS, BOYLE, GRONEMUS, GROTHMAN, LORGE, OTT, RYBA and SERATTI, cosponsored by Senators SCHULTZ and MOEN. Referred to Committee on Tourism and Recreation.

1 **AN ACT to amend** 350.12 (3) (b) of the statutes; **relating to:** the registration of
2 antique snowmobiles.

Analysis by the Legislative Reference Bureau

Under current law, the owner of a snowmobile that has a model year of 1966 or earlier may register the snowmobile as an antique snowmobile. Registration of a snowmobile as an antique entitles the owner to registration decals of a distinctive nature and exempts the owner from having to reregister the snowmobile during the time that he or she owns it.

Under this bill, the owner of a snowmobile that is at least 20 years old at the time that the owner applies for registration may register the snowmobile as an antique snowmobile.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
