

1995 ASSEMBLY BILL 46

January 26, 1995 - Introduced by Representatives BAUMGART, HARSDFORF, WILDER, SKINDRUD, GOETSCH, MUSSER, NASS, HANDRICK and OTTE, cosponsored by Senator DARLING. Referred to Committee on Government Operations.

1 **AN ACT to amend** 84.02 (5) (c) of the statutes; **relating to:** distribution of folded
2 state highway maps to officers and members of the legislature.

Analysis by the Legislative Reference Bureau

Currently, the department of transportation (DOT) periodically publishes folded state highway maps. DOT is required to distribute without charge 500 of these maps to each officer and member of the legislature. Any officer or member may request any number of additional maps, which DOT is required to provide without charge.

This bill deletes the automatic distribution of 500 folded state highway maps to each officer and member of the legislature. The bill still permits each officer and member to request any number of maps, which DOT is required to provide without charge.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
