1 **AN ACT to create** 13.41 of the statutes; **relating to:** a statutory provision
2 concerning proposals to change certain funding sources for programs.

Analysis by the Legislative Reference Bureau

This bill creates a statutory provision which states that no member of the legislature may introduce or offer any proposal to change the source of funding for any program that is funded by the state, in whole or in part, from general purpose revenue to program revenue or segregated revenue (excluding federal revenue or revenue received from gifts, grants or bequests) except as a separate bill or substitute amendment to a bill which contains no other proposal for such a change with respect to any other program. The provision further states that neither house of the legislature may consider any proposal that is introduced or offered contrary to this limitation.

No similar provision exists currently.
