

1995 ASSEMBLY BILL 93

February 6, 1995 - Introduced by Representatives MUSSER, JENSEN, OWENS and AINSWORTH, cosponsored by Senator SCHULTZ. Referred to Committee on Colleges and Universities.

1 **AN ACT to amend** 38.22 (5) of the statutes; **relating to:** admissions to a
2 vocational, technical and adult education district school.

Analysis by the Legislative Reference Bureau

Under administrative rules promulgated by the state board of vocational, technical and adult education (VTAE), a VTAE district board must give priority in admissions to district residents over state residents who are not district residents.

This bill prohibits a VTAE district board from making such a distinction when admitting students.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 38.22 (5) of the statutes is amended to read:
4 38.22 (5) The board shall promulgate rules establishing the priority to be given
5 by a district board in admitting students who are residents of the district, students
6 who are not residents of the district but are residents of this state and students who
7 are not residents of this state. In admitting students, a district board may not give
8 priority to a student who is a district resident over a student who is a state resident
9 but not a district resident.
