1 **AN ACT to renumber and amend** 118.153 (3) (b); **to amend** 119.235 (1); and **to**
2 **create** 118.153 (3) (bm) of the statutes; **relating to:** children-at-risk programs
3 operated by the Milwaukee Public Schools.

Analysis by the Legislative Reference Bureau

Under current law, the school board of the Milwaukee Public Schools (MPS) must ensure that there are at least 40 pupils and no more than 200 pupils in each of its programs for children at risk.

This bill provides that if MPS contracts with an agency to provide a program for children at risk, the 40-pupil minimum and 200-pupil maximum do not apply to a program operated under contract.

Current law authorizes MPS to contract with any nonprofit, nonsectarian private school or private agency located in the city of Milwaukee to provide educational programs to pupils enrolled in the school district.

This bill allows MPS to contract with such private schools or agencies if they are located in the city or within 5 miles of the boundaries of the city.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
