Referred to Committee on Human Resources, Labor, Tourism, Veterans and Military Affairs.

1 **Relating to:** supporting the veterans rehabilitation program.

2 Whereas, the department of veterans affairs has launched a new statewide
3 veterans rehabilitation program in partnership with the U.S. department of
4 veterans affairs; and

5 Whereas, local organizations, including the Center for Veterans Issues and the
6 Milwaukee County Social Development Commission are supporting the veterans
7 rehabilitation program; and

8 Whereas, Vets Place Central was recently opened in Milwaukee as a facility to
9 provide services under the veterans rehabilitation program; and

10 Whereas, a veterans rehabilitation center opened in November, 1994, at Fort
11 McCoy and additional centers under the program are planned for the Fox River
12 Valley, Madison and Superior; and

13 Whereas, each veterans rehabilitation center will assist homeless veterans to
14 obtain the services that they need to gain employment and housing, including job
15 training and education, counseling, health care and drug and alcohol treatment; and
