**State of Wisconsin
Department of Health and Family Services**

March 13, 1998

The Honorable, The Senate:

Enclosed is the report from the Department of Health and Family Services entitled "Study of the Development of Standardized forms to be Used by Managed Care Providers in the Medicaid Program."

This report was requested by the legislature in [1995 Wisconsin Act 27](#) and is being submitted in accordance with Section [13.172\(2\)](#) of the statutes.

The report was required to be submitted by December 31, 1996. We regret the delay in submission. However, during 1996 and 1997 the Medicaid HMO Managed Care program was expanded from five counties to a statewide initiative. We believe this report more accurately incorporates the potential impact of standardized forms on a statewide managed care program, including the eight new HMOs that have recently joined the program.

If you have any questions about this report, please contact Angela Dombrowicki, Chief of the Managed Care Section of the Bureau of Health Care Financing, at 266-1935.

Sincerely,
JOE LEEAN
Secretary

Senator Jauch, with unanimous consent, asked that when the Senate adjourn, it do so in honor of the Superior Senior High Mock Trial Team which competed Monday, against Sheboygan South High School, in the state mock trial competition finals - arguing their case before the Wisconsin Supreme Court.

While the team from Sheboygan won the split decision, Supreme Court Chief Justice, Shirley Abrahamson commended the Superior Senior High team for its extraordinary performance.

Superior Senior High School students have participated in the mock trial competition since its inception 15 years ago. In those 15 years -- competing against nearly 160 teams from across the state -- the Superior Senior High Mock Trial Teams have advanced to the state competition 13 times; participated in the mock trial team finals before the Supreme Court - 10 times; and won the state title 5 times.

This is very much a competition of the mind - designed to provide students with a challenging opportunity to develop and test both critical-thinking and public speaking skills. Students work with teachers, volunteer attorney coaches and judges to learn firsthand about our legal system.

It is important to recognize the accomplishments of academic competitors just as we do student athletes. The members of the mock trial team represent some of the best students at Superior Senior High and the pride of the community. They are also a testament to the excellence of public education in the Superior School District.

Members of the Team: Marina Agerter, Jennifer Broberg, Holle Driscoll, Miranda Johnson, David Knudson, Erin McConnell, Paul Peterson, Tom Rohde, RaShell Scott and Angie VanHove.
