PETITIONS AND COMMUNICATIONS

State of Wisconsin

Southeast Wisconsin Professional Baseball Park District

June 19, 1997

The Honorable, The Senate:

I'm please to present the Miller Park monthly progress report for the month of May 1997 for your review and consideration. As always, we have forwarded copies of the progress report to the Wisconsin State Legislature and the Governor's office. In addition, black and white copies have been made available (at reduced cost) to other interested parties through the District's open records policies.

Significant progress continues to be made on Miller Park. Each passing month provides for additional construction activities and personnel on site, increased design efforts and production, and improved management organizational approaches and techniques. As the May 1997 progress report indicates, our Miller Park project continues to move forward in admirable fashion. We continue to remain on schedule and within budget. Please feel free to contact me if you should have any questions or comments regarding the enclosed progress report.

Sincerely,

MICHAEL R. DUCKETT, P.E., R.L.S.
