

1997 ASSEMBLY BILL 313

April 24, 1997 - Introduced by Representatives LA FAVE, GOETSCH, SYKORA, BOCK, MEYER, NOTESTEIN, RYBA, VANDER LOOP, WILLIAMS and R. YOUNG. Referred to Committee on Labor and Employment.

1 **AN ACT to create** 63.385 of the statutes; **relating to:** procedures for a civil service
2 commission in a 1st class city to certify persons with disabilities for
3 appointment to certain classified service positions.

Analysis by the Legislative Reference Bureau

Under current law, a 1st class city (presently only Milwaukee) is required to have a civil service commission. Among the commission's duties is the responsibility to oversee the civil service examinations given by the city and to keep a list of eligible persons who take the examinations for civil service positions in the city.

This bill permits the city's board of city service commissioners to prepare without examination special lists of persons with disabilities who are eligible for civil service positions in the city. This provision is similar to a current law that applies to counties with a population of 500,000 or more (currently only Milwaukee County) and certain other counties.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
