1 **AN ACT** *to repeal* 346.07 (1); and *to amend* 346.17 (1) of the statutes; **relating**
2 **to:** the requirement of giving audible signal prior to overtaking vehicles to the
3 left.

Analysis by the Legislative Reference Bureau

Current law requires the driver of a motor vehicle to sound the vehicle's horn before attempting to overtake and pass to the left of a vehicle traveling in the same direction. This requirement does not apply within business or residence districts, or on any highway having more than one lane available for traffic in the same direction unless such an audible warning is reasonably necessary to warn the vehicle about to be passed.

This bill eliminates this requirement.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 346.07 (1) of the statutes is repealed.

5 **SECTION 2.** 346.17 (1) of the statutes is amended to read:

6 346.17 (1) Except as provided in sub. (5), any person violating s. 346.04 (1) or
7 (2), 346.06, ~~346.07 (1)~~, 346.12 or 346.13 (1) or (3) may be required to forfeit not less
