Dear Dr. Brouever:

Thank you for your letter expressing support for Assembly Bill 116. I do plan to hold a public hearing on AB 116 on October 23, 1997.

Contrary to what you were apparently told, this bill has not been stalled in committee. The author of the bill did not request a hearing on this bill until late August. I agreed to that request. However, since that time, due to circumstances beyond my control, I have not been able to hold any public hearings until this month.

Sincerely,
