Honorable Senator Alice Clausing  
Chairperson, Senate Agriculture and Environmental Resources Committee

Dear Senator Clausing:

My name is Gary Homuth, Conservation Warden with the Department of Natural Resources and am here to testify in support of AB 299.

Currently the visually handicapped can obtain a disabled permit that allows for the use of a firearm. Under this proposal, the visually handicapped can obtain a disabled permit that allows for the use of a bow and arrow or crossbow.

Thank-you.
