SB269

August 1997

To: Senator Potter and the Legislative Council Special Committee on Public Libraries.  
From: Residents of McMillan Township, Marathon County.

We thank Senator Potter and the members of the legislature who worked on the document on Public Libraries. This legislation is important to us because it would give our town the right to appeal to the State Superintendent of Public Instruction regarding the county disapproval of a joint library.

SB 269

August 1997

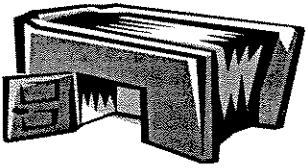

To: Senator Potter and the Legislative Council Special Committee on Public Libraries.  
From: Residents of McMillan Township, Marathon County.

We thank Senator Potter and the members of the legislature who worked on the document on Public Libraries. This legislation is important to us because it would give our town the right to appeal to the State Superintendent of Public Instruction regarding the county disapproval of a joint library.
