Budget Recommendation

Paper Ballot

P. 169, Item 18

Governor: Provide \$11,963,100 GPR and 68.5 positions to pilot test a community confinement and control program at the Thompson Correctional Center at Deerfield. This pilot would study the feasibility of implementing a portion of the recommendations of the Governor's Task Force on Corrections.

Senator Moen: The Joint Finance Committee has already removed the governor's recommendations relating to community control and sentencing modifications. This pilot program, with its significant funding, should be removed and its funding should be used for the other recommendations made by the Senate Committee on Health, Human Services, Aging, Corrections, Veterans and Military Affairs.
