Budget Recommendation

Paper Ballot

P. 177, Item 5

Governor: Provide \$8.2 million annually to allow Corrections to contract with private providers for prison beds in other states. Funding assumes that 500 beds will be purchased for a full year at \$45 per day per bed. Creates statutory language to allow DOC to contract with a private corporation for prison beds in other states.

Senator Moore: Prisoners should not be far away from their families. This is an impediment to rehabilitation.

Motion: Eliminate governor's recommendation and have it drafted and introduced as separate legislation.
