Budget Recommendation

Paper Ballot

P. 265, Item 10

Governor: Decrease MA benefits funding by \$2,063,300 to reflect cost savings of terminating MA eligibility for recipients ten days after eligibility determinations are completed, beginning in 1998-99. Under current law, recipients retain eligibility through the end of the month after which they received ten days notice.

Senators Moen, Breske and Moore: MA eligibility should not be terminated after only 10 days while counties are going through W2 transition. Ten days is not adequate time for recipients to request a fair hearing, and certain recipients could lose coverage before they received notification. W-2 agencies in Milwaukee county would have a difficult time meeting this requirement.

Motion: Delete the governor's recommendation. Establish a consistent thirty day window between notification and actual termination of MA benefits.
