Budget Recommendation

Paper Ballot

Increase in Foster Care Rates (no provision):

Senator Wirch: Foster parent reimbursement rates for providing basic care are holding at 1995 rates. I recommend a 5% increase in each year of the biennium to allow for inflationary increases. Based on the DHFS budget request (a 1% increase), the 5% increase would require approximately \$229,100 GPR in '97-'98 and \$683,600 GPR in '98-99.

Recommendation: Increase the monthly payment in foster care. Beginning on January 1, 1998, the age-related rates are: \$296 for children aged 4 and under; \$322 for children aged 5 to 11; \$366 for children aged 12 to 14; and \$383 for children aged 15 to 17. Beginning on January 1, 1999, the age-related rates are: \$311 for children aged 4 and under, \$338 for children aged 5 to 11, \$384 for children aged 12 to 14, and \$402 for children aged 15 to 17.
