D-NOTE

Gen. Cat.

1 AN ACT to create 20.485 (2) (dk), 20.485 (2) (e), 45.03 (2m) and 45.035 of the

**Analysis by the Legislative Reference Bureau**

Under current law, money has been provided to construct 3 memorials at The Highground in Clark County: one for the veterans of World War I, one for the veterans of World War II and one for the veterans of the Persian Gulf War. This bill appropriates \$80,000 for the construction of a memorial at The Highground in Clark County for the veterans of the Korean War. The bill also appropriates \$90,000 for the perpetual care of the Korean War memorial located at Plover in Portage County.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

4 SECTION 1. 20.005 (3) (schedule) of the statutes: at the appropriate place, insert  
5 the following amounts for the purposes indicated:

Please note that s. 16.47 (2), stats., states that neither house may pass any bill containing an appropriation, increasing the cost of state government or decreasing state revenues by more than \$10,000 annually until both houses pass the executive budget bill, except that the governor or joint committee on finance or, under certain circumstances, the committee on organization of either house may enact emergency appropriation bills prior to the passage of the executive budget bill.

If this bill is introduced and enacted as an emergency measure prior to passage of the budget, the appropriation set forth in this bill will be repealed by action of the budget bill (which repeals and recreates the appropriations schedule). You may instead wish to consider having this bill drafted as an amendment to the budget bill to include the correct appropriation line amount. Alternatively, you may wish to include an effective date that is later than the projected date for passage of the budget bill. Finally, you may instead wish to introduce this bill for potential passage after the passage of the budget bill. If you choose this option, please check with me after budget passage to ensure that the cross references in this bill are still accurate and that the numbers for created statutes in the bill have not been supplanted by the budget bill.

1. **JACKET** the draft for introduction \_\_\_\_\_

in the **Senate** or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the **LRB's** drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
