1999
~~1997~~ ASSEMBLY BILL 62

Amey

February 10, 1997 - Introduced by Representatives SCHNEIDER, HANDRICK, M. LEHMAN and MUSSER, cosponsored by Senator WIRCH. Referred to Committee on Assembly Organization.

1 AN ACT to amend 13.90 (3) of the statutes; relating to: assignment of office space
2 to members of the legislature.

Analysis by the Legislative Reference Bureau

Currently, the joint committee on legislative organization (JCL0) assigns office space to members of the legislature.

This bill directs JCL0 to ensure that, no later than the time of completion of the capitol renovation project that is currently in progress, office space is assigned to members of the legislature by district number, with the exception of offices occupied by the speaker of the assembly, president of the senate, assembly majority leader, senate majority leader, assembly minority leader, senate minority leader and cochairpersons of the joint committee on finance. The bill also provides that upon completion of the renovation project, each member of a house, except a member who is appointed or elected to a position specified above, shall occupy the office space that is assigned by JCL0 to his or her district for the duration of his or her continuous service as a member of that house.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 13.90 (3) of the statutes is amended to read:

13.90 (3) The joint committee on legislative organization shall assign office space for legislative offices and the offices of the legislative service agencies as

Proposed Statute

1 defined in sub. (1m). The joint committee may assign any space in the capitol not
2 reserved for other uses under s. 16.835. Except as provided in ss. 13.09 (6) and 13.45
3 (4) (c), the joint committee may locate any legislative office or the office of any
4 legislative service agency outside the capitol at another suitable building in the city
5 of Madison. The joint committee shall ensure that, no later than the time of
6 completion of the capitol renovation project in progress on the effective date of this
7 subsection [revisor inserts date], office space is assigned to members of the
8 legislature by district number, with the exception of offices occupied by the speaker
9 of the assembly, president of the senate, assembly majority leader, senate majority
10 leader, assembly minority leader, senate minority leader and chairpersons of the
11 joint committee on finance. Upon completion of the capitol renovation project in
12 progress on the effective date of this subsection [revisor inserts date], each
13 member of a house, except a member who is appointed or elected to a position
14 specified in this subsection, shall occupy the office space that is assigned by the
15 committee to his or her district for the duration of his or her continuous tenure as a
16 member of that house.

1. **JACKET** the draft for introduction _____ 

in the Senate or the Assembly (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
