Assumptions Used in Arriving at Fiscal Estimate

This bill requires a privacy impact statement for any bill introduced in the Legislature when the bill would have an impact upon personal privacy. No standing committee may hold a public hearing on the bill or report the bill until a privacy impact statement is submitted. The bill also permits either house of the Legislature to request the Department of Administration to order a privacy impact statement for any bill.

It is anticipated that this bill would not have a significant effect on state tax revenues.
