**AN ACT to create 121.91 (4) ~~(m)~~ of the statutes; relating to:** increasing a school district's revenue limit by the amount spent for school security measures.

*in the 1998-99 school year and, in subsequent school years, to the amount of revenue increase allowed per pupil in the previous school year increased by the percentage change in the consumer price index*

*generally*  
**Analysis by the Legislative Reference Bureau**

Current law limits the increase in the total amount of revenue that a school district may receive from general school aids and property taxes in a school year to ~~\$200~~ per pupil. Several exceptions are provided. For example, if a school district increases the services that it provides by adding responsibility for providing a service transferred to it from another governmental unit, its revenue limit is increased by the cost of that service.

This bill provides that a school district's revenue limit is increased by an amount equal to the amount spent by the school district for measures designed to prevent criminal activity in schools.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

**SECTION 1.** 121.91 (4) ~~(m)~~ <sup>(h)</sup> of the statutes is created to read:

121.91 (4) ~~(m)~~ <sup>(h)</sup> The limit otherwise applicable to a school district's revenue under sub. (2m) in any school year is increased by an amount equal to the amount spent by

**ASSEMBLY BILL 434**

1 the school district in that school year for security measures designed to prevent  
2 criminal activity in schools, as determined by the state superintendent.

3 **SECTION 2. Initial applicability.**

4 (1) This act first applies to the calculation of a school district's revenue limit  
5 for the school year beginning after the effective date of this subsection.

1. **JACKET** the draft for introduction \_\_\_\_\_  
*Spencer*  
**in the Senate** OR **the Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_  
A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_  
If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
