Subject: Drafting Request

Marc-

I am writing with another drafting request for the upcoming 1999 Legislative Session.

Jack Stark had drafted an amendment for the budget adjustment bill which Representative Ziegelbauer would like to introduce as a separate bill in the upcoming Session.

The amendment was **LRBb3236/1** relating to personal property reports. This proposal would allow personal property reports to be filed by March 31 rather than March 1 upon a written request by the taxpayer.

Please feel free to call if you have any questions. Thanks again for your assistance.

1 **AN ACT ...; relating to:** the filing of personal property reports,

Analysis by the Legislative Reference Bureau

Under current law, the assessor of a taxation district may require that any person file a return that declares the amount and value of the person's taxable personal property. This return, or personal property report, must be filed with the assessor on or before March 1 of the year to which the assessor's annual assessment of real and personal property in the taxation district relates. Current law also provides that the assessor may, for good cause, allow a reasonable extension of time for filing the return.

This bill ~~repeals~~ the permissive "good cause" extension for filing such reports and requires the assessor, upon the written request of the taxpayer, to allow an extension to March 31~~s~~ for filing the return.
