Assumptions Used in Arriving at Fiscal Estimate

AB 48 allows county jailers who are participating employees in the Wisconsin Retirement System on the effective date of the bill to receive credit as a protective occupation participant for all years of creditable service earned after that date. If enacted, the bill will require the Department to make changes to an individual's record. The Department, however, will be able to perform this task with existing staff and resources.

This fiscal estimate addresses only the administrative costs of AB 48. The Joint Survey Committee on Retirement Systems will estimate the fiscal effect on the trust fund.
