```
 1          from a year 2000 computer date calculation
 2          failure; providing an effective date.
 3
 4  Be It Enacted by the Legislature of the State of Florida:
 5
 6          Section 1.   Section 14.025, Florida Statutes, is
 7  created to read:
 8          14.025   Executive powers for year 2000 computer
 9  remediation.--
10          (1)   In the event the Governor believes that a computer
11  system may fail related to the impending date change
12  necessitated by the year 2000, or in the event of a computer
13  system failure related to the date change necessitated by the
14  year 2000, the Governor may reassign resources, including
15  personnel, from one or more agencies or departments to the
16  agency with the projected or actual computer system failure.
17  If this agency is under the control of the Governor, and the
18  agencies affected by the reassignment of resources also are
19  under the control of the Governor, the actions and decisions
20  of the Governor with respect to the reassignment of resources
21  are final. If the transfer is from an agency under the control
22  of the Governor to an agency under the control of the Governor
23  and Cabinet or the transfer is from an agency under the
24  control of the Governor and Cabinet to an agency under the
25  control of the Governor, the recommendation by the Governor
26  shall be forwarded to the Administration Commission for
27  approval.
28          (2)   If a year 2000 computer system failure occurs, or
29  is predicted to occur, in an agency under the control of the
30  Governor and Cabinet, and the Governor recommends the
31  reassignment of resources, including personnel, from an agency
