Hi Rick- I forgot to tell you , on AA 2 to ASA 1 (LRB 0344/1) the comm. wants the following change: on line 7, delete "a" and insert the following:"one or more" and change "plan" to "plans".

I see this is kind of screwy because of lines 2 and 3. What they want is at least one plan that covers all the mandated items and one or more plans that don't. Maybe one that is bare bones and doesn't cover any mandated items and one that covers half the items....

thanks!
