1999 BILL

AB 77

1 AN ACT to renumber 21.11 (1); and to create 21.11 (1) (b) of the statutes;
2 relating to: authorizing the activation of the national guard for public
3 disasters related to the year 2000 computer issues.

Analysis by the Legislative Reference Bureau

Under current law, in response to a war, insurrection, rebellion, riot or invasion, in the event of a public disaster resulting from a flood, conflagration or tornado, or upon application of certain public officials, the governor may order into active service all or any portion of the national guard. Current law also includes a procedure for activating the national guard if the governor is not able to do so.

This bill allows for activation of the national guard for a public disaster resulting from a computer device's failure to recognize and respond correctly to the year 2000 date data and in anticipation of such a public disaster.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
