1 AN ACT to ~~amend~~ 77.54 (30) (a) 3. of the statutes; relating to: the sales tax on  
2 electricity used in farming.

***Analysis by the Legislative Reference Bureau***

Under current law, electricity sold during the months from November to April for use in farming is exempt from the sales tax and the use tax. This bill extends that exemption to all electricity sold for use in farming.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

3 SECTION 1. 77.54 (30) (a) 3. of the statutes is amended to read:

4 77.54 (30) (a) 3. Electricity sold ~~during the months of November, December,~~  
5 ~~January, February, March and April~~ for use in farming, including but not limited to  
6 agriculture, dairy farming, floriculture and horticulture.

7 SECTION 2. Effective date.

8 (1) This act takes effect on the first day of the 2nd month beginning after

1. **JACKET** the draft for introduction

*John Ainsworth*

in the **Senate** \_\_\_\_\_ or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction

*John Ainsworth*

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
