1997⁹ BILL

Regen

1 AN ACT *to renumber and amend* 120.12 (23); *to amend* 121.54 (7) (a) (intro.)
2 and 121.54 (7) (a) 2.; and *to create* 120.12 (23) (b) of the statutes; **relating to:**
3 requiring school boards to permit home-based private educational program
4 pupils to participate in extracurricular activities.

Analysis by the Legislative Reference Bureau

This bill requires a school board to permit a pupil enrolled in a home-based private educational program to participate fully in any extracurricular or recreational school program or activity if the pupil is enrolled in the home-based private educational program at the beginning of the school term, the pupil resides in the attendance area served by the school sponsoring the extracurricular or recreational school program or activity, and the school board determines that there is sufficient space in the program or activity.

Current law permits a school board to transport pupils of public and private schools and their parents or guardians to extracurricular activities and permits the school board to charge the persons transported or the private school, if appropriate, for the cost of providing the transportation. This bill permits a school board to transport pupils enrolled in a home-based private educational program and their parents or guardians to an extracurricular activity and permits the school board to charge the persons transported for the cost of providing the transportation.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
