

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1591/2dn  
PJK:cmh&jlg:lp

February 10, 1999

Please note that, as we discussed, if a motor vehicle insurance policy that is in effect when the law takes effect includes a provision that is in conflict with the provisions in this bill, the provisions may be held by a court to be an unconstitutional impairment of contract, at least with respect to that policy. This potential problem was the reason an initial applicability provision was included in the previous versions. It is entirely possible that no policy currently contains, or will contain at the time that the bill goes into effect, a provision that is in conflict with the bill.
