Assumptions Used in Arriving at Fiscal Estimate: AB165 would tie increases to the Wisconsin Higher Education Grant (WHEG) program appropriations to the highest percentage resident undergraduate tuition increase of UW institutions. Current law specifies a sum certain in each fiscal year for the amount appropriated for certain higher education grants administered by the Higher Educational Aids Board. Based on current appropriations (\$17,244,800), every one percent tuition increase would require that WHEG rise \$172,488.
