1 **AN ACT to create** 118.035 of the statutes; **relating to:** school uniforms.

Analysis by the Legislative Reference Bureau

Current law authorizes a school board to adopt rules pertaining to the dress of pupils. This bill specifically authorizes a school board to adopt a policy that requires all pupils enrolled in the school district, or all pupils enrolled in one or more schools in the school district (including pupils enrolled in charter schools located in the school district other than charter schools operated by or under contract with the city of Milwaukee, the University of Wisconsin–Milwaukee or Milwaukee Area Technical College), to wear a uniform in school. If a school board adopts such a policy, it must allow a parent or guardian to exempt his or her child from the policy, it must ensure that no pupil is penalized academically or otherwise discriminated against because the pupil's parent or guardian has chosen to exempt the pupil from the policy, it must give parents and guardians at least three months' notice before implementing the policy and it must assist economically disadvantaged pupils to purchase the uniforms.

The bill specifies that the requirement to adopt a policy does not apply to any school board that has in effect on the date on which this bill becomes law a school uniform policy and has such a policy in effect continuously since that date.

Finally, the bill also directs the department of public instruction to report to the legislature by July 1, 2003. The report must address all of the following issues:

1. Methods of encouraging the involvement of parents in a school board's decision to require school uniforms.
2. The ability of pupils to purchase the uniforms.
