RE: Drafting Instructions

Per our earlier conversation, I would respectfully request the drafting of legislation that would amend s.120.13 (1)(a) to read... "a school board may make rules for the organization, graduation and government of the school district, including rules pertaining to conduct and dress, **including school uniforms for**, pupils in order to maintain good decorum and a favorable academic atmosphere, which shall take effect when approved by a majority of the school board and filed with the school district clerk.

Please note that the intention would be to leave it up to the school board to determine whether uniforms would be required. Furthermore, no mention in the language would define who would pay for the uniforms with the assumption that parents would purchase uniforms for their children.

If you have any further questions, or need additional information, please contact me at 266-1452. Thank you in advance for your consideration.

Analysis INSERT

Analysis by the Legislative Reference Bureau

Current law authorizes a school board to adopt rules pertaining to the dress of pupils. This bill specifically authorizes a school board to adopt a policy that requires pupils enrolled in the school district (including pupils enrolled in charter schools located in the school district) to wear a uniform in school. If a school board adopts such a policy, it must allow a parent or guardian to exempt his or her child from the policy, must ensure that no pupil is penalized academically or otherwise discriminated against because the pupil's parent or guardian has chosen to exempt the pupil from the policy, must give parents and guardians at least 6 months' notice before implementing the policy and must assist economically disadvantaged pupils to purchase the uniforms.

The bill also directs the department of education to report to the legislature by July 1, 1997. The report must address all of the following issues:

1. Methods of encouraging the involvement of parents in a school board's decision to require school uniforms.
2. State and federal constitutional concerns raised by the imposition of the requirement.
3. The ability of pupils to purchase the uniforms.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 118.035 of the statutes is created to read:

3 **118.035 School uniforms.** (1) In this section, "pupils enrolled" includes

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both primary and secondary research techniques. The primary research involved direct observation and interviews with key stakeholders, while secondary research was conducted through a review of existing literature and industry reports.

The third section presents the findings of the study. It highlights several key trends and patterns that emerged from the data. One significant finding was the increasing reliance on digital platforms for business operations, which has led to a shift in consumer behavior and market dynamics.

Finally, the document concludes with a series of recommendations for future research and practical applications. It suggests that further exploration into the long-term effects of digitalization on the economy would be beneficial. Additionally, it offers insights for businesses on how to adapt to these changes and optimize their performance in a competitive market.

1. Note the date for the report under s. 118.035 (5). If this bill does not pass until 2000, you may wish to change the date for the report to July 1, 2003.

2. Since 1995 AB-824 was introduced, state law relating to charter schools has changed. Section 118.40 (2r), stats., now authorizes the city of Milwaukee, the University of Wisconsin-Milwaukee and Milwaukee Area Technical College to establish a charter school or contract for the operation of a charter school. Although these charter schools must be located in the Milwaukee Public Schools (MPS) school district, they have no connection to MPS. Nevertheless, under this draft, MPS board policy on uniforms would apply to these charter schools. If you wish to modify the draft to eliminate this effect, please let me know.

1999 BILL

1 AN ACT to create 118.035 of the statutes; relating to: school uniforms.

Analysis by the Legislative Reference Bureau

Current law authorizes a school board to adopt rules pertaining to the dress of pupils. This bill specifically authorizes a school board to adopt a policy that requires all pupils enrolled in the school district, or all pupils enrolled in one or more schools in the school district, (including pupils enrolled in charter schools located in the school district) to wear a uniform in school. If a school board adopts such a policy, it must allow a parent or guardian to exempt his or her child from the policy, it must ensure that no pupil is penalized academically or otherwise discriminated against because the pupil's parent or guardian has chosen to exempt the pupil from the policy, it must give parents and guardians at least six months' notice before implementing the policy and it must assist economically disadvantaged pupils to purchase the uniforms.

The bill specifies that the requirement to adopt a policy does not apply to any school-board that has in effect on the date on which this bill becomes law a school uniform policy and has such a policy in effect continuously since that date.

Finally, the bill also directs the department of public instruction to report to the legislature by July 1, 2002. The report must address all of the following issues:

1. Methods of encouraging the involvement of parents in a school board's decision to require school uniforms.
2. State and federal constitutional concerns raised by the imposition of the requirement.
3. The ability of pupils to purchase the uniforms.
