

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1994/1dn
MJL:cmh&ksh:jf

February 9, 1999

You requested that the bill prohibit pupils who have dropped out of school or been expelled from participating in the youth options program. I believe that neither DPI nor the school board would consider these pupils to be enrolled in school, which is a prerequisite for participating in the program; thus, it is not necessary to prohibit these pupils from participating.
