Mary -

You drafted Assembly Bill 175, relating to personal flotation devices for Representative Staskunas earlier this year. The bill was the subject of a public hearing this morning. As a result, I am requesting that you draft an amendment to the bill. The amendment should raise the age to 12 years of age and under, also we would like a penalty included for non-compliance. This penalty should be the same as under current law for failure to have personal flotation devices on board for each passenger.

Thank you for your help. Please give me a call if you have any questions.
