We can live with adding the following restrictions to AB 182 to the ones that are already in the original bill:

Marital status
Race
Religious affiliation

We do not support adding gender, date or place of birth or place or type of employment. Current data entry projects for DNR use date of birth and some past projects for DWD used employment information. Gender information is usually evident anyway by having the name of the person.

If you have any questions, please let me know.

Bob,

Please let me know ASAP about the items from Amendment 1 to AB 182 that DOC can live with in a new amendment. I would like to get this cleared up by the end of the week so it is set before the trip to Atlanta next week. AB 182 will be scheduled for Thursday 3/25. Thanks for your help,
Scott
