

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0043/P1dn
RPN:jlg:km

April 21, 1999

This draft is based on discussions I had with Louis Scrubber of Senator Drzewiecki's office. I prepared the draft as a preliminary draft so you could review it to make sure it meets your intent. After reviewing the draft, call me with any suggestions and I will prepare an introducible draft.
