### ***Analysis by the Legislative Reference Bureau***

Under current law, local highway authorities may authorize persons whose residences abut a highway in a zone where the time of parking is limited by official signs, markers or parking meters to park their vehicles in the highway zone without regard to the time limits posted. This bill prohibits first class cities (currently, only Milwaukee) from charging a fee for this authorization.

For further information see the **local** fiscal estimate, which will be printed as an appendix to this bill.
