# Scott Gunderson

Wisconsin State Legislature

83rd Assembly District Representative

December 8, 1998

Robin Kite  
Legislative Reference Bureau

Robin,

Sorry, I could have included this in the other letter. Scott would like to have a bill drafted relating to Wisconsin Statute 29.103(4)(b)2. <sup>29.164(3)(b)</sup>

Scott would like the bill to amend the current statute so that it will now read: A qualified resident landowner may apply for a wild turkey hunting license under the land owner preference system. A qualified resident landowner is a resident who owns at least 50 acres in one parcel in an established wild turkey hunting zone. If more than one individual is the landowner of a single parcel of land, only one individual may be considered a qualified resident landowner.

So, we want to end the sentence after the words "hunting zone," and eliminate the rest of the sentence.

Thank you for your assistance. Should you have any questions feel free to call me at 266-3363.

Michael Bruhn  
Legislative Assistant to Rep. Gunderson

1. The first part of the document discusses the importance of maintaining accurate records. It states that records are essential for the proper management of an organization and for the protection of its interests. The document emphasizes that records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

2. The second part of the document discusses the importance of maintaining accurate financial records. It states that financial records are essential for the proper management of an organization's finances and for the protection of its assets. The document emphasizes that financial records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

3. The third part of the document discusses the importance of maintaining accurate personnel records. It states that personnel records are essential for the proper management of an organization's human resources and for the protection of its employees. The document emphasizes that personnel records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

4. The fourth part of the document discusses the importance of maintaining accurate legal records. It states that legal records are essential for the proper management of an organization's legal affairs and for the protection of its legal interests. The document emphasizes that legal records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

5. The fifth part of the document discusses the importance of maintaining accurate operational records. It states that operational records are essential for the proper management of an organization's operations and for the protection of its operational interests. The document emphasizes that operational records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

6. The sixth part of the document discusses the importance of maintaining accurate communication records. It states that communication records are essential for the proper management of an organization's communication and for the protection of its communication interests. The document emphasizes that communication records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

7. The seventh part of the document discusses the importance of maintaining accurate information records. It states that information records are essential for the proper management of an organization's information and for the protection of its information interests. The document emphasizes that information records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

8. The eighth part of the document discusses the importance of maintaining accurate security records. It states that security records are essential for the proper management of an organization's security and for the protection of its security interests. The document emphasizes that security records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

9. The ninth part of the document discusses the importance of maintaining accurate compliance records. It states that compliance records are essential for the proper management of an organization's compliance and for the protection of its compliance interests. The document emphasizes that compliance records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

10. The tenth part of the document discusses the importance of maintaining accurate audit records. It states that audit records are essential for the proper management of an organization's audit and for the protection of its audit interests. The document emphasizes that audit records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

11. The eleventh part of the document discusses the importance of maintaining accurate risk management records. It states that risk management records are essential for the proper management of an organization's risk management and for the protection of its risk management interests. The document emphasizes that risk management records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

12. The twelfth part of the document discusses the importance of maintaining accurate quality management records. It states that quality management records are essential for the proper management of an organization's quality management and for the protection of its quality management interests. The document emphasizes that quality management records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

13. The thirteenth part of the document discusses the importance of maintaining accurate environmental management records. It states that environmental management records are essential for the proper management of an organization's environmental management and for the protection of its environmental management interests. The document emphasizes that environmental management records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

14. The fourteenth part of the document discusses the importance of maintaining accurate social responsibility records. It states that social responsibility records are essential for the proper management of an organization's social responsibility and for the protection of its social responsibility interests. The document emphasizes that social responsibility records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

15. The fifteenth part of the document discusses the importance of maintaining accurate corporate governance records. It states that corporate governance records are essential for the proper management of an organization's corporate governance and for the protection of its corporate governance interests. The document emphasizes that corporate governance records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

16. The sixteenth part of the document discusses the importance of maintaining accurate stakeholder engagement records. It states that stakeholder engagement records are essential for the proper management of an organization's stakeholder engagement and for the protection of its stakeholder engagement interests. The document emphasizes that stakeholder engagement records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

17. The seventeenth part of the document discusses the importance of maintaining accurate brand management records. It states that brand management records are essential for the proper management of an organization's brand management and for the protection of its brand management interests. The document emphasizes that brand management records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

18. The eighteenth part of the document discusses the importance of maintaining accurate intellectual property records. It states that intellectual property records are essential for the proper management of an organization's intellectual property and for the protection of its intellectual property interests. The document emphasizes that intellectual property records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

19. The nineteenth part of the document discusses the importance of maintaining accurate data management records. It states that data management records are essential for the proper management of an organization's data management and for the protection of its data management interests. The document emphasizes that data management records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

20. The twentieth part of the document discusses the importance of maintaining accurate information security records. It states that information security records are essential for the proper management of an organization's information security and for the protection of its information security interests. The document emphasizes that information security records should be kept in a secure and accessible manner, and that they should be regularly reviewed and updated.

# 1999 BILL

gen cat

1 AN ACT ...; relating to: the issuance of wild turkey hunting licenses to qualified  
2 resident landowners.

---

***Analysis by the Legislative Reference Bureau***

Under current law, the department of natural resources (DNR) must give preference in the issuance of wild turkey hunting licenses to applicants who are qualified resident landowners. Under current law, an applicant is a qualified resident landowner if the applicant owns at least 50 acres in one parcel in an established wild turkey hunting zone and if the applicant agrees to allow other persons to hunt wild turkeys on that land, if they obtain the applicant's permission to do so.

This bill eliminates the requirement that a person, in order to obtain a wild turkey hunting license as a qualified resident landowner, must agree to allow other persons to hunt wild turkey on the land.

---

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

3 SECTION 1. 29.164 (3) (b) 2. of the statutes is amended to read:  
4 29.164 (3) (b) 2. For purposes of subd. 1., a qualified resident landowner is a  
5 resident who owns at least 50 acres in one parcel in an established wild turkey

**LEGISLATIVE REFERENCE BUREAU  
Legal Section Telephone: 266-3561  
5th Floor, 100 N. Hamilton Street**

The attached draft is submitted for your inspection. Please check each part carefully, proofread each word, and sign on the appropriate line(s) below.

**Date:** 2/25/99

**To:** Representative Gunderson

**Relating to LRB drafting number:** LRB-1176

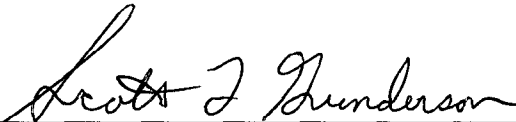

**Topic**

Qualified resident landowner for purposes of a wild turkey hunting license

**Subject(s)**

Nat. Res. - fish and game

1. **JACKET** the draft for introduction

in the **Senate** \_\_\_\_\_ or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
