

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0746/1dn  
MES:wlj:mrc

October 11, 1999

Please review this amendment carefully to ensure that it meets your intent. I spoke with Jeff Kuesel and he verified that the bill, as amended, is subject to the open records law; no special authorization is needed for a member of the public to gain access to the lists in whatever format DOR is required to maintain them. Please let me know if you have any additional questions.
