February 23, 1999

This draft provides a blank appropriation to fund the activities of the privacy council and privacy advocate for the 1999–2001 fiscal biennium. When you know the amount you need to appropriate for this purpose, please contact me and I will either redraft this draft or draft an amendment, as appropriate. For the purpose of obtaining the necessary information, you may wish to request the fiscal estimate prior to introduction. Because the biennial budget act repeals and recreates the appropriation schedule under s. 20.005 (3), stats., if this draft becomes an act before the budget act is enacted, the budget act will eliminate any appropriation contained in this draft. Therefore, you may wish to seek passage of an appropriation by means of a budget amendment.
