Analysis by the Legislative Reference Bureau

Under current law, every owner of taxable real property is entitled to a property tax lottery credit regardless of whether the owner's taxable real property is the owner's primary residence. The state constitution requires that all lottery proceeds, less money used for the regulation of and enforcement of laws relating to the lottery, be applied to the property tax lottery credit.

On April 6, 1999, Wisconsin voters approved amendments to sections 24 (3), (5) and (6) (a) of article IV of the state constitution. The amendments require all moneys received by the state that are attributable to bingo, pari-mutuel on-track betting and the lottery, less the moneys used for the regulation of or enforcement of laws relating to bingo, pari-mutuel on-track betting and the lottery, be used for property tax relief for state residents regardless of the income or age of the resident.

This bill restores the language of the property tax lottery credit that existed prior to the 1997-98 legislative session. The bill changes the name of the property tax lottery credit to the property tax gaming credit and provides a property tax gaming credit to any taxpayer whose primary residence is on a parcel of taxable property. An eligible taxpayer must file an application with the county or municipality treasurer to receive the credit.

This bill also changes the name of the lottery fund to the gaming fund and requires that all moneys received by the state that are attributable to bingo and pari-mutuel on-track betting be deposited into the gaming fund. All of these moneys plus lottery proceeds, less any moneys used for general program operations and law enforcement relating to bingo, pari-mutuel on-track betting and the lottery, must be used for property tax relief.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
