1 **AN ACT** *to create* 125.07 (3) (a) 3r. of the statutes; **relating to:** the prohibition
2 against underage persons entering or being on any premises operating under
3 an alcohol beverage license.

Analysis by the Legislative Reference Bureau

Under current law, a person who has not reached the legal drinking age (21 years of age), and who is not accompanied by his or her parent, guardian or spouse who has attained the legal drinking age, may not enter or be on any premises for which a license or permit for the retail sale of alcohol beverages has been issued. Current law also provides for various exceptions to this prohibition. One such exception is that a person who has not reached the legal drinking age may enter or be in a bowling center, a regularly established athletic field or stadium at which alcohol beverages are sold or an outdoor volleyball court immediately adjacent to premises licensed to sell alcohol beverages. This bill provides that an unaccompanied person who has not reached the legal drinking age may enter or be on premises licensed to sell alcohol beverages at retail if the premises are a privately owned recreational fishing farm open to the public.
