1999 BILL

1 **AN ACT to amend** 103.85 (2) (c); and **to create** 103.85 (2) (cm) of the statutes;
2 **relating to:** one day of rest in 7 for persons employed in the manufacture of
3 butter, cheese or other dairy products subsequent to the first processing of the
4 milk from which those products are made.

Analysis by the Legislative Reference Bureau

Under current law, subject to certain exceptions, every employer who owns or operates a factory or mercantile establishment must allow every person employed in the factory or mercantile establishment to have at least 24 consecutive hours of rest in every period of seven consecutive days (one day of rest in seven). Currently, an employer of a person employed in the manufacture of butter, cheese or other dairy products, or in the distribution of milk or cream, or in a cannery or freezer, is not required to allow the person to have one day of rest in seven. This bill requires a person employed in the manufacture of butter, cheese or other dairy products subsequent to the first processing of the milk from which those products are made to be given one day of rest in seven, unless the person voluntarily agrees to work without one day of rest in seven. The bill, however, continues the exception to the one day of rest in seven law for persons employed in the first processing of milk,

BILL

including the manufacture of butter, cheese or other dairy products from that milk, in the distribution of milk or cream or in a cannery or freezer.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 103.85 (2) (c) of the statutes is amended to read:

2 103.85 (2) (c) Persons who are employed in the first processing of milk, as
3 defined in s. 97.01 (10)(a), including the manufacture of butter, cheese or other dairy
4 products from that milk, or in the distribution of milk or cream, or in canneries and
5 freezers.

6 **SECTION 2.** 103.85 (2) (cm) of the statutes is created to read:

7 103.85 (2) (cm) Persons who are employed in the manufacture of butter, cheese
8 or other dairy products subsequent to the first processing of the milk, as defined in
9 s. 97.01 (10)(a), from which those dairy products are made and who voluntarily agree
10 to work for 7 or more consecutive days without 24 consecutive hours of rest in those
11 7 or more days.

12 **SECTION 3. Initial applicability.**

13 (1) This act first applies to persons who are affected by a collective bargaining
14 agreement that contains provisions inconsistent with section 103.85 (2) (c) of the
15 statutes, as affected by this act, or with section 103.85 (2) (cm) of the statutes, as
16 created by this act, on the day on which the collective bargaining agreement expires
17 or is extended, modified or renewed, whichever occurs first.

1. **JACKET** the draft for introduction _____

in the **Senate** _____ or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
