Assumptions Used in Arriving at Fiscal Estimate

This bill would allow political subdivisions in Wisconsin to enact an ordinance or adopt a resolution regulating firearms in a way that is inconsistent with, or more stringent than, a state statute. Since the bill is mainly concerned with allowing political subdivisions to enact an ordinance or adopt a resolution, instead of creating a new crime, enactment of this bill will have no fiscal impact on the Office of the State Public Defender (SPD).

The SPD has no data from which to estimate local government costs.
