

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2359/1dn

March 2, 1999

Rep. Stone:

As you may know, most provisions of ch. 62 of the statutes, the "cities" chapter, do not apply to first class cities. See s. 62.03. Presently, Milwaukee is the only first class city in the state. Consequently, the elimination of bonding requirements in this bill do not apply to the city of Milwaukee. Also see s. 66.145. Is this consistent with your intent?
