196.025 6(a)

In consultation with the DOA and DOR, the commission shall study the establishment of a program for providing incentives for the siting, development, maintenance and reconstruction of production plants and general structures as defined in 79.04, including incentives to the municipalities and counties wherein these plants or structures are or will be located. This study shall include those production plants or general structures that are owned by public utilities, as defined in 196.01(5), cooperative associations organized under Chapter 185, a qualified wholesale electric company as defined in 76.28(gm) and a municipal utility that is owned wholly by a municipality and that owns a retail electric distribution system.

No later than January 1, 2001, the commission shall submit a report of its findings and recommendations under par(a) to the chief clerk of each house of the legislature for distribution to the appropriate standing committee under 13.172(3).

ASSEMBLY AMENDMENT,
TO 1999 ASSEMBLY BILL 389

1 At the locations indicated, amend the bill as follows:

2 ✓ 1. Page 2, line 16: delete "generating" and substitute "electric".

3 ✓ 2. Page 26, line 16: after that line insert:

4 «SECTION 20m. CR; 196.025(4m)

text: treat

5 (4m) (a) In consultation with the department of administration and the
6 department of revenue, the commission shall study the establishment of a program
7 for providing incentives for the siting, development, maintenance and
8 reconstruction of electric generation, transmission and distribution facilities by
9 public utilities, cooperative associations organized under ch. 185 and qualified
10 wholesale electric companies, as defined in s. 76.28 (1) (gm). The incentives studied
11 shall include incentives to cities, villages, towns and counties in which the facilities
12 are located.

13 (b) No later than January 1, 2001, the commission shall submit a report of its
findings and recommendations under par. (a) to the chief clerk of each house of the

1 legislature for distribution to the appropriate standing committees under s. 13.172
2 (3).”

Representative Lasee:

Instead of using the terms "production plants and general structures" this amendment refers to electric generation, transmission and distribution facilities. Is this okay?
