

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0662/1dn  
JEO:kmg:jf

September 23, 1999

Representative Coggs:

Please review this amendment to make sure that it does what you want it to do. If you want to make any changes — for instance, if you want to go into more detail about what the study should include, who should be part of the study or how the study should proceed, or if you want to provide for a different reporting date — please let me know.
