Subject: Landfill siting amendment

Don,

For the amendment to AB 467 for Rep. Stone, I am thinking about drafting a nonstatutory provision saying that if the change in s. 289.33 (7) (a) 1. would authorize a city, village or town to have more members on a committee in existence on the effective date of the bill, the city village or town may appoint more members as long as it does so within 60 days after the effective date. Or something like that. What do you think?

Becky

Don says that sounds OK.
