AM 3484/2

explicitly, a law to identify those  
minor pupils need <sup>parental</sup> consent  
if 18 or over, pupil provides consent.

**1999 BILL**

1 **AN ACT** *to renumber and amend* 118.25 (3); and *to create* 118.25 (3) (b) of the  
2 statutes; **relating to:** physical health examinations of pupils.

---

***Analysis by the Legislative Reference Bureau***

Under current law, in a county with a population of less than 500,000, a school board may require periodic health examinations of pupils by physicians. This bill allows a school board to require that a pupil be examined by a physician only if the school board mails a schedule of examinations to the pupil's parent or guardian at the beginning of each school year and obtains the written consent of the pupil's parent or guardian for a specific examination. The school board may conduct an additional examination if it mails the pupil's parent or guardian a revised schedule and obtains the written consent of the pupil's parent or guardian to conduct the additional examination.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
